# Effects of Culture, Gender, Time, and Place

## Lesson 5

**How do culture, gender, time, and place influence the development of identity? (How do culture, time, and place affect who we are?)**

With your partner, define culture, time period, and place. Then, on a sticky note, write a personal example of how each has influenced the development of **YOUR** identity. Place each sticky note in the corresponding space provided.

**CULTURE** is...

**GENDER** is...

**TIME PERIOD** is...

**PLACE** is...
